

Subject: Contents change on the label for CCC recognized fuses (Partial)

Due to the CCC recognition renewal of our products, we will change the label description contents as per the CCC authority instructions.

1. Products affected:  
660HTP\* \*ULTC
2. Reason for the change  
Due to following the CCC authority instructions
3. Description of the change

Present label	New label
	

4. Effect on products as a result of the change  
 No change or effect on fuse itself.  
 Most specifications that Hinode has already been providing to our clients do not include label information; hence no changes have been made.
5. Schedule of change  
 New label will be on our products from October 2016 delivery onwards.  
 (Lot No. F16X01~ or No. 16X01~)

Thank you for your understanding in this matter.  
 If you have any questions, please do not hesitate to contact us.
